

13 – 16 May

# MtS ADVENTURE RACE JAPAN 2027

## Sponsorship Brochure

**The Mission to Seafarers' Adventure Race Japan will return in 2027, bringing together the global maritime community for one of the industry's most distinctive and impactful endurance events.**

Up to 100 teams of three will take on a two-day adventure combining trekking, running, and a range of physical and strategic challenges, all set within the breathtaking Japanese countryside. With two levels of participation, the race is designed to test highly trained competitors while also offering a demanding yet achievable experience for those seeking a challenge. The mountainous terrain allows for carefully designed routes that encourage teamwork, resilience, and determination across all fitness levels.

**Adventure Race Japan offers a powerful platform bringing together 300 key decision-makers from across the maritime industry.**

**It offers an exceptional opportunity for team building, strengthening communication and forging meaningful professional connections. In a global sector built on trust and face-to-face relationships, the event creates a unique environment where networks are strengthened through shared experience and achievement.**

**At the same time, participation directly supports the vital welfare work of The Mission to Seafarers, helping those men and women who transport more than 90% of global trade and on whom we all depend.**

The scale and impact of the event were demonstrated in 2025, when 100 teams of three from 26 countries took part. With the support of 35 industry-leading corporate sponsors and the commitment of the teams, an exceptional US\$1.85 million was raised for seafarer welfare, making it the most successful Adventure Race Japan to date.

Participants will arrive on the afternoon of Thursday, 13 May 2027. The challenge will take place on Friday 14 and Saturday 15 May, followed by a celebratory Awards Gala Dinner, before departures on Sunday, 16 May.

Funds raised through Adventure Race Japan 2027 will support the Mission's global welfare work, with a special emphasis on seafarers across Asia, where the need remains significant and growing.

**To register a team or express your interest, please contact: [events@adventureracejapan.org](mailto:events@adventureracejapan.org)**

# We are seeking key sponsors as outlined below.
